Nirvana  
Son of a Gun  
(Cover of the Vaseline's song)  
From the album, 'Incesticide'

OK, here's a simple tab for the funnest song on Incesticide. You'll have to listen to CD to get rythm right. I'm 100% sure of the accuracy of this tab, so if it doesn't sound right, it's cos your playing it wrong ;-)

[Intro]

[Verse]

A E D  
Up, up, up and down, turn, turn,  
E  
turnaround,  
A E D  
round, round, roundabout and over  
E  
again.  
A E D  
Gun, gun, son of a gun, you are the  
E  
only one,  
A E D  
that makes any difference to what I  
E  
say.

[Chorus]

G5 C5 D5  
Sun shines in the bedroom, when we  
C5  
play,  
G5 C5 D5  
the raining always starts, when you go  
C5  
away.

[Interlude]

G5 D5 G5 D5  
A5 E5 A5 E5

End on G5.

This is a very simple tab to a great song. Enjoy!
